The Story of MillerPARK

Opening in April 2001, the Brewers' new home is truly one of a kind

Miller Park, the Milwaukee Brewers new home scheduled to open in April, 2001, will be a one-of-a-kind ballpark for fans around the world to enjoy.

The ballpark will be the only one in North America to feature a convertible, fan-shaped roof guaranteeing that baseball will be played, even on the most inclement of Wisconsin days.

The roof will feature seven panels, including five that will move to cover the fans from the weather elements. Three panels will settle over the left field side of the ballpark, while two will sit on the right field side, allowing for the maximum amount of sunshine on beautiful Wisconsin spring and summer days. Each roof panel is the equivalent of one Bradley Center roof in downtown Milwaukee. The entire roof will be able to close in 10 minutes.

With a creative and unique split-bowl, seating configuration, fans will be closer to the action than they have ever been before in Milwaukee. The four seating levels (the Field Level, the Loge Level, the Club Level and the Terrace Level), with approximately 43,000 seats, give fans four great options and also four front rows from which to choose at Miller Park.

There are 70 suites at Miller Park including 20 Founders Suites located in the Field Level seating. They will be the best suites in baseball. There are 50 suites on the Club Level, including several behind home plate affording suite holders a view of Brewers action unparalleled in Milwaukee baseball history. Miller Park will feature approximately 43,000 seats.

The field dimensions at Miller Park, designed with the input of Hall of Famer and Brewers legend Robin Yount, are asymmetrical. The left field line is 342 feet; the left field power alley is 374 feet; straight-away center field is 400 feet; the right field power alley is 378 feet; and the right field line is 345 feet. The field will have a natural grass playing surface.

Miller Park will offer fans upscale amenities including a Stadium Club, an exciting theme restaurant, interactive children's areas, an enormous and enticing novelty store, a beautiful color replay board and full scoreboard, just to name a few. The Stadium Club, restaurant and novelty store will be open year-round as a part of the Brewers "Hot Corner" in the left-field area, which will give fans a great opportunity to enjoy Miller Park.

Miller Park will also feature "Home To Heroes", a series of colorful murals depicting five great industries of Wisconsin tied to the five eras of baseball in the state, beginning with the American League Brewers of 1901 and continuing to the current and future Brewers. These murals will be displayed throughout Miller Park.

The Miller Park experience will extend to the parking lots as well. Miller Park will essentially become a "park within a park" due to the landscaping, which will accentuate the great Wisconsin tradition of tailgating.

"We're finally at the moment where we can have something that all of us in the state of Wisconsin can be proud of."
– Baseball's Home Run King Henry Aaron at the Groundbreaking Ceremony for Miller Park on November 9, 1996

Miller Park construction began in October, 1996 with the official groundbreaking date on November 9, 1996. The ballpark is being funded by a 0.1% sales tax in five counties including Milwaukee, Racine, Waukesha, Ozaukee and Washington counties. The Brewers are contributing $90 million to the project, including a 20-year, $41.2 million naming rights deal with the Miller Brewing Company.

Through the 2000 season, fans visiting County Stadium will be able to watch Miller Park grow. Miller Park will reach a height of 330 feet at its highest outside point and will shadow County Stadium.

Visiting media wishing to tour Miller Park should contact the Brewers Media Relations Department prior to coming to Milwaukee.

IN MEMORY

On July 14, 1999, a tragic accident at Miller Park killed three ironworkers suspended in a man-basket approximately 150 feet above the ground while they observed the lifting of a roof panel on the first base side of the ballpark.

The three men, William DeGrave, Jerome Starr and Jeffrey Wischer, will always be in the hearts and minds of Brewers fans and members of the Milwaukee community. Their efforts to construct Miller Park will never be forgotten.

The Brewers wore commemorative patches on their uniforms for the final three months of the 1999 season as a tribute to the three special men. When Miller Park opens, there will be a special tribute within the ballpark honoring all of the workers who made this community proud with this world-class project.

MilwaukeeCountySTADIUM

1953-2000

The site for County Stadium was officially selected on January 11, 1949, with the initial construction beginning on October 19, 1950. The stadium's original seating capacity of 28,111 permanent seats and 7,900 portable seats had a total capacity of 36,011 for the stadium's first event: an exhibition baseball game between the Milwaukee Braves and Boston Red Sox on April 6, 1953.

On October 6, 1953, the construction of additional permanent seating was approved, increasing the capacity to 43,394 for the 1954 baseball season. The outfield wall was constructed in 1961 and permanent bleachers were added in center field during the 1961 season. In 1962, the moving ramps were installed and in 1964, improvements for television and photographic facilities and the erection of temporary bleachers were completed, bringing the total number of bleacher seats to 10,591.

Additional improvements included a remodeled football press box in 1972; a new lighting system in 1973; additional seating (3,400) in 1974; a remodeled baseball press box in 1974; and additional seating (4,400) in 1975, bringing the capacity to the present 53,192.

In addition, the Milwaukee Brewers built a new electronic scoreboard in April, 1980 and an outdoor scoreboard in April, 1984, both of which were donated to Milwaukee County. The most recent addition occurred in 1986, when permanent cement bleachers were constructed.

There have been 63,291,532 fans that have come through the turnstiles at County Stadium to watch Milwaukee baseball in both the National League (1953-65, 1998-99) and the American League (1970-97). They have witnessed World Series games, an American League Pennant, two National League pennants, two All-Star games, dramatic home runs, long home runs, long hitting streaks, great pitching performances and remarkable team efforts.

Others to call County Stadium home include the Chicago White Sox, the Green Bay Packers, The Rolling Stones, Pink Floyd, the Jehovah's Witnesses, Bob Hope, and Lassie and The Lone Ranger (on the same bill) just to name a few.

County Stadium will be torn down when the Brewers move into their new convertible roof stadium in 2001 although a portion of the field will be kept as a memorial to the old ballpark. Hunzinger Construction, a local contractor, was involved in the building of County Stadium and is a part of the construction team on the new ballpark.

Wendy**SELIG-PRIEB**

President and Chief Executive Officer

Wendy Selig-Prieb was named President and Chief Executive Officer of the Milwaukee Brewers on August 4, 1998, replacing her father, Allan H. (Bud) Selig, who was elected Commissioner of Major League Baseball that July. Selig-Prieb had assumed more responsibility for the club's day-to-day operations, including the design and development of Miller Park, since her father took over as Chairman of Baseball's Executive Council in September, 1992.

Selig-Prieb is committed to building a championship team for baseball fans across Wisconsin and to making Miller Park a fan-friendly, world-class ballpark. Her vision and leadership will be essential to the Brewers success moving into the 21st century.

Selig-Prieb is the only female Chief Executive of a Major League Baseball Club, and at age 40, she is the second youngest club president and CEO behind Pittsburgh's Kevin McClatchy (37).

She was the first woman to represent Major League Baseball at the bargaining table when she joined management's 12-person negotiating committee for the collective bargaining sessions with the Players Association in 1994 and 1995. She has served on numerous other committees for Baseball and has represented the Brewers at Major League meetings since 1992.

A lifelong Milwaukeean, Selig-Prieb is very active in the Milwaukee community. She is a Director of the Child Abuse Prevention (CAP) Fund, Junior Achievement and D.A.R.E. Wisconsin. She has served as the honorary chair for the March of Dimes WalkAmerica for the past two years and she serves on Governor Tommy Thompson's Glass Ceiling Commission. She is on the Board of Directors of Guaranty Bank and is also a member of the Greater Milwaukee Committee.

In 1999, **Street and Smith's Sports Business Journal** named Selig-Prieb to their inaugural "40 under 40" list and ranked her among the most powerful women in sports for a second consecutive year. She is also a past finalist for the Women in Sports and Events (WISE) Woman of the Year Award. Selig-Prieb was also recognized by **The Business Journal** in 1992 in their "40 Under 40" profiles which identifies 40 people under the age of 40 who are making a difference in their organizations, industries, communities or professional spheres.

She is a member of the Task Force for the Commissioner's Initiative on Women and Baseball.

Selig-Prieb was born in Milwaukee on March 18, 1960. She graduated from University School in Milwaukee in 1978. She graduated magna cum laude in 1982 from Tufts University in Medford, Massachusetts, with a bachelor's degree in political science. Selig-Prieb began her baseball career in the Brewers broadcasting department in 1982 before becoming an Executive Trainee in the Baseball Commissioner's office for two years. After earning her Juris Doctor, magna cum laude from Marquette University in 1988, Selig-Prieb worked as a corporate attorney for Foley & Lardner, and then joined the Brewers as General Counsel in February of 1990.

Selig-Prieb is married to Laurel Prieb, the Brewers Vice President of Corporate Affairs. They have a daughter, Natalie, and reside in Whitefish Bay, Wisconsin.

BREWERS TO HOST 2002 ALL-STAR GAME

Major League Baseball has awarded the 2002 All-Star Game to the Milwaukee Brewers and their fans throughout the State of Wisconsin.

Hosting the event now means hosting a week of festivities that include FanFest - a celebration of baseball for all ages. Downtown Milwaukee's Midwest Express Center will house FanFest for All-Star Week. The 73rd Mid-Summer Classic will be played at Miller Park in July of 2002 and will conclude the festivities that are expected to have a local community economic impact of between $65 and $70 million.

Milwaukee has hosted two previous All-Star Games, both won by the National League. The Braves were hosts in 1957 when St. Louis' Stan Musial hit a game-winning, 12th-inning homer to give the National League a 6-5 victory.

In 1975, the National League won, 6-3, with Henry Aaron playing in his 24th and final, and the Brewers first All-Star Game.

BrewersintheCOMMUNITY

The Community Relations Department of the Milwaukee Brewers provides a diverse and universal commitment to the entire state of Wisconsin. Community Relations will furnish essential programs for the youth in the community, through school districts, local charities, large and small community groups, as well as community centers throughout the state. We will assist the players in creating a positive image for themselves as well as the club.

As an organization, the Milwaukee Brewers success is dependent on community and fan support. At the same time, the Brewers are pleased to help support so many charities, educational groups, youth groups and other worthy causes. Through charitable and community events across the state the organization helps non-profit organizations raise hundreds of thousands of dollars each year.

CHILD ABUSE PREVENTION (CAP) FUND

Children truly are our future. Unfortunately, young lives can be affected by the realities of a society that negatively impacts them. Out of concern for this issue, the Child Abuse Prevention (CAP) Fund was established in December, 1987 by Bud Selig, attorney Thomas Bailey, and Children's Hospital of Wisconsin President Jon Vice. Together, they shared a vision - to help end child abuse and its devastating effects.

The CAP Fund is the official charity of the Milwaukee Brewers and has granted more than $2 million to more than 90 local agencies since its inception. Its mission is to provide financial support to child abuse prevention programs; to educate the general public about child abuse prevention; and to encourage community action throughout the state of Wisconsin.

During the year, the CAP Fund receives thousands of dollars in proceeds from several events held in conjunction with the Brewers. The Safe at Home Picnic, held at County Stadium, features local celebrities and Brewers players/wives as waiters and waitresses.

On-going support from the Brewers and several broadcast sponsors also helps to raise thousands of dollars though game related events like contributions for stolen bases and home runs hit.

BREWERS WIVES

The Milwaukee Brewers players' wives have an important role in the team's community relations efforts. Their commitment has evolved into several special charity events. Each summer, the wives host the annual tailgate party for the Sojourner Truth House. This charity serves battered women and children and provides shelter for them.
In addition, the Brewers Wives' Auction benefits various charities, such as the Child Abuse Prevention (CAP) Fund, Sojourner Truth House and Walker's Point Youth & Family Services. The auction is a popular event featuring autographed items, collectibles, and player appearances.

TEAM CHARITIES

The Brewers are proud of their commitment to statewide and local charities. The club works with hundreds of organizations providing monetary contributions, fund-raising assistance and in-kind donations.

YOUTH AND EDUCATIONAL ACTIVITIES

The Milwaukee Brewers commitment to youth extends beyond the field of play. As role models, the Brewers provide direction and stability through frequent school, playground and hospital visits. This effort includes quality family entertainment, strong educational programs and scholarships, in addition to instructional opportunities at our baseball camps.

BREWERS YOUTH BASEBALL CLINICS

Every summer hundreds of youngsters gather at local parks to learn from and play with Milwaukee Brewers players. A summer tradition at area parks for 10 years, the camps offer young ballplayers the opportunity to learn from and meet team members.

Several Brewers players and coaches donate their time and energy to help kids learn the finer points of baseball. The instruction is invaluable, with an emphasis on sportsmanship and goal-setting, as well as the proper techniques of hitting, pitching, fielding and base running.

BREWERS STAY IN SCHOOL DAY 'STRIVE FOR EXCELLENCE'

"Strive for Excellence" is a joint venture between the Milwaukee Brewers Baseball Club and Milwaukee Public Schools (MPS) designed to encourage and reward middle school age students (grades six through eight) who strive for excellence in academics, attendance, and attitude. Motivational and personal messages from individuals who students look up to, such as professional baseball players, can be an important factor in efforts to encourage and reward students to reach their goals. The program has two major components that occur on one day -- a morning visit to some thirty schools by Brewers players/coaches/front office staff, and a school trip to the ballpark that evening as a reward for student success.

STUDENT ACHIEVERS RECOGNIZED FOR ACADEMIC SUCCESS

For the past ten years, the Lynde and Harry Bradley Foundation, in conjunction with the Milwaukee Brewers and the Milwaukee Journal Sentinel, have sponsored an incentive program for area students.

Students from eight counties in southeastern Wisconsin are eligible for four tickets to a Brewers game, a certificate and recognition in a special section of the Milwaukee Journal Sentinel. Students in the top six percent of their

class in academic achievement and academic effort are rewarded. More than 20,000 students, grades 7-12, from approximately 500 schools are eligible for this far-reaching program.

BREWERS YOUTH LEAGUE

The Milwaukee Brewers, in conjunction with the Police Athletic League, MPS, Holton Youth Center and the United Community Center (UCC), sponsor the Brewers Youth League - a group of 26 teams for kids 9-12, all named after Brewers players.

P.A.L., MPS, Holton Youth Center and the UCC provide day-to-day supervision at the camps, which open the league each summer. All regular season games are held at Milwaukee County Parks with the Brewers providing the league with equipment. More than 600 youngsters participate in the league each summer. Also, in 1999 the Brewers started a girls fast pitch softball league and an R.B.I. League for teenagers.

BREWERS LITTLE HITTERS LEAGUE

In 1997, the Brewers, in conjunction with the Boys and Girls Clubs of Wisconsin, began a statewide baseball league for children between the ages of six and nine. In its inaugural season, more than 1,800 children participated in a league, and in 1999 there was be between 2,300 participants in the league from 26 Boys and Girls Clubs throughout the state. A tradition of Brewers players supporting the Little Hitters with significant financial contributions began with Doug Jones in 1998 and continued in 1999 with David Nilsson. The Brewers, Roundy's Pick'n Save and Major League Baseball are also major sponsors of the project.

BASEBALL CARNIVAL

The Garden Homes School playground is the site for a fun-filled carnival for 2,500 area youth from the Milwaukee Recreation Department. Brewers players and front office personnel are on hand for fielding, hitting and pitching clinics. Autograph booths, carnival games and summertime food round out a great day of family entertainment.

HANK AARON CHASING THE DREAM FOUNDATION

The Hank Aaron Chasing The Dream Foundation provides financial assistance to underprivileged youth seeking to better themselves through education. Presentations are made annually at a special home plate ceremony featuring Hank Aaron. Funds are raised locally via various projects, including the Hank Aaron Golf tournament held each summer in the Milwaukee area. The Chasing The Dream foundation has its roots in Milwaukee from the end of Aaron's playing career in 1976. It's administered from Atlanta, Hank's current home, with proceeds targeted primarily for youth in Atlanta and Milwaukee.

BREWERS HOLIDAY CARD

Middle and high school students from Milwaukee area schools assist the Milwaukee Brewers in designing an annual holiday greeting card. The contest is held shortly after the season's end. All entries are judged by select MPS staff and Brewers front office staff. The finalist receives a special Brewers VIP package while all contributors receive certificates and special autographed items.

SPEAKERS BUREAU

A truly valuable service of the community relations department is the Milwaukee Brewers Speakers Bureau. Front office personnel speak at various events about a variety of baseball topics. Each year, the Speakers Bureau raises thousands of dollars for the CAP Fund.

WINTER CARAVAN CROSSES THE STATE

Each January, players and front office staff brave the elements for a winter tour throughout the state. This annual road show, sponsored by Miller Brewing Company, is an opportunity to preview the upcoming season and introduce fans to their favorite players. This year the tour again sent four different groups across the state, reaching a record 27 new and traditional stops. Each community schedule involves a mix of visit to local schools, a Boys and Girls Club, a hospital and/or a dinner which benefits local causes in the community. The Brewers Winter Caravan is easily one of the premier programs of its kind in the league.

THANKSGIVING TURKEY GIVEAWAY

Last Thanksgiving, the Milwaukee Brewers teamed up with WMCS Radio 1290 to donate turkeys to Milwaukee families. A total of 330 turkeys were given away to community-based agencies and listeners. WMCS gave away turkeys in several on-air promotions as well as to local-based agencies in the Milwaukee area. The 12-pound turkeys went to five non-profit organizations: Career Youth Development, COA Youth and Family Centers, New Concept for Self Development Center, North Central YMCA and Walkers Point Youth and Family Center.

BASEBALL BASICS

Scoring Rule - Pinch Hitters

A player shall be considered a pinch hitter only if he enters the game as a substitute batter and then only on his first time at bat which must be before he becomes a fielder. (If the team bats around and a pinch hitter comes up a second time in the inning in which he first appeared, he will not be considered a pinch hitter during that second time up). A substitute hitter for a designated hitter is both a pinch hitter and a designated hitter on his first time at bat. On subsequent trips to the plate he is a designated hitter only.

Save Rule

Saves shall be awarded to relief pitchers under the following criteria: Rule (10:20) tells the official scorer to credit a pitcher with a save when he meets all 3 of the following conditions: (1) He is the finishing pitcher in a game won by his club; and (2) He is not the winning pitcher, and (3) He qualifies under one of the following conditions: (a) He enters the game with a lead of no more than 3 runs and pitches for at least 1 inning; or (b) He enters the game with the potential tying run either on base, or at bat, or on deck (that is, the potential tying run is either already on base or is 1 of the first 2 batsmen he faces); or (c) He pitches effectively for at least 3 innings.

THE LONG & SHORT OF THINGS

Nine records were broken when the Milwaukee Brewers and Chicago White Sox played a 25-inning, eight hour and six minute game in Comiskey Park on May 8-9, 1984. They played the longest extra inning game (8:06) and the longest American League game (8:06 and 25 innings), the longest game at Comiskey Park, the longest Brewers and White Sox game, the longest game of 1984. Records were also set for the most innings caught by a catcher (Carlton Fisk, 25) and the most at bats by a Brewers hitter (Cecil Cooper, 11). Harold Baines homered off Chuck Porter with one out in the bottom of the 25th to give Chicago a 7-6 win.

On May 1, 1991, the Brewers and White Sox met in the longest game in Brewers history at County Stadium. The 19-inning marathon lasted six hours and five minutes as the Brewers prevailed 10-9.

The Milwaukee Brewers and Chicago White Sox set a Brewers record for the longest nine-inning game when they played four hours and 11 minutes on July 10, 1983 at Comiskey Park. The Brewers won the game 12-9.

The Brewers and Minnesota Twins battled 22 innings on May 12, 1972 at the old Met Stadium in Bloomington, MN, which is the longest game in Twins' history. The Brewers won the marathon, 4-3, a game which took five hours and 47 minutes to complete.

On May 7, 1997, the Brewers and Oakland Athletics played the longest 1-0 nine-inning game in Major League history. The contest lasted three hours and 20 minutes at County Stadium and ended with a Brewers victory.

The Brewers and California Angels raced through a nine-inning contest on May 6, 1972 in the Big-A in Anaheim, CA. The game, the shortest in both clubs' histories, was won by the Angels, 2-0, in one hour and 31 minutes.

BASEBALL BASICS

Tie Game

A regulation game that is called by the umpire in chief when both teams have the same number of runs is a tie game. Individual player performances are official and are entered in the records, but the game does not count in the League standings and may be re-scheduled at a later date.

Wild Card Teams

The team with the best record that has not won its division is eligible for the playoffs as the wild card team. In the National League Division Series, that club will play the division winner with the best record while the other two division winners will face each other in a best of five series with the winners advancing to the National League Championship Series.

Regulation Game

A regulation game consists of nine innings unless extended because of a tie score or shortened because (1) the home team needs none of its half of the ninth or only part of it; or (2) because the umpire in chief calls the game after five completed innings. A regulation game may be less than five innings if the home team is ahead after the first of the fifth, or takes the lead or ties the score while at bat in the fifth.

THE BREWERS NEW LOGO

The Brewers have a new look as they enter the 2000 season, a new look that will follow them into Miller Park in 2001 and beyond. The new logo was unveiled on November 9, 1999, to the state of Wisconsin in a simultaneous five-city unveiling in Milwaukee, LaCrosse, Madison, Wausau and Green Bay by various Brewers players, including pitcher Kyle Peterson.

The new primary logo features a new color and a red-stitched baseball in the center, surrounded by the stylish new Brewers script. The innovative uniforms, produced by Wilson and Majestic, feature numbers on the front of the jersey and do not include piping which has been a part of the uniform over the past several years. The home jerseys will be white and the road uniforms will be gray. Milwaukee will continue to wear a blue alternate jersey.

"The Brewers focused on baseball tradition with their new mark," said Anne Occi, Vice President of Creative Services for Major League Baseball Properties. "Their cursive writing style exemplified that thought. Also, adding the design element of barley is a very subtle but distinctive way to speak to the heritage of the franchise."

The new Brewers caps will hold a while letter "M" underscored by barley, a key symbol of the Brewers' name.

Occi and Michael Dillon, President of McDill Design of Milwaukee, were instrumental in the design process for the Brewers new look.

"We wanted to give the uniforms a very classy yet contemporary look," said Laurel Prieb, Vice President of Corporate Affairs for the Brewers. "These changes certainly accomplish that goal and will take us into a new era of Brewers baseball."

1999 Final Record/Place: 64-77 (.454)/West Division
First Half: 38-33 (.535)/Second Place
Second Half: 26-44 (.371)/Fifth Place

It was a topsy-turvy season for the Stars in their first season as the Brewers Double A affiliate. The club finished in a tie for first place in the Western Division of the Southern League in the first half of the season, but lost a one-game playoff to West Tennessee (CHI).

The team struggled in the second half and finished the season 13-games under .500.

The team got a series of great pitching performances from Allen Levrault, who was 9-2 with a 3.43 ERA in 16 starts. He suffered a broken nose when he was hit in the face with ball during batting practice just before mid-season which forced him to the Disabled List just prior to his promotion to Triple A.

Greg Beck, Al Hawkins and Derek Lee also did a solid job in Huntsville's rotation. Beck led the club with 10 wins while Hawkins rebounded from an 0-5 start to finish 8-9 overall. He led the Brewers Minor League system with 11 victories as he also won three games at Class A Stockton. Lee fired a league-leading four complete games and posted a commendable 3.86 ERA with his 8-8 record.

Outfielder Scott Sollmann was named to the Southern League All-Star team as an honorable mention after hitting .314 with five triples and 17 runs batted in through just 55 games. He also played at Stockton where he hit .349 with 32 stolen bases and five triples.

Infielder Josh Klimek led the team in both homers and runs batted in with four and 71, respectively.

BASEBALL BASICS

National League Curfew

There is no curfew in the National League.

American League Curfew (Interleague play in American League parks only)

All night games must be called at 1 a.m. local time. However, if an inning is started prior to 1 a.m., it can be completed. Other curfew restrictions are contained in American League Regulation 3.4.

"Blown Save" Definition

When a relief pitcher enters a game in a save situation and departs with the save situation no longer in effect because he has given up the lead, he is charged with a "blown save". If the save opportunity still exists when he leaves the game, he is not charged with a save opportunity. If the pitcher has not given up the lead when he leaves the game, though the save opportunity may no longer exist, he is not charged with a save opportunity.

Consecutive Game Hitting Streaks

A consecutive-game hitting streak shall not be terminated if all the player's plate appearances (one or more) result in a base on balls, hit batsman, defensive interference or a sacrifice bunt. The streak shall terminate if the player has a sacrifice fly and no hit.

Consecutive Game Playing Streaks

A consecutive-game playing streak shall be extended if the player plays one-half inning on defense, of if he completes a time at bat by reaching base or being put out. A pinch-running appearance only shall not extend the streak. If a player is ejected from a game by an umpire before he can comply with the requirements of this rule, his streak shall continue.

Earned Runs Rule

The determination of an earned-run is as follows:
An earned-run is a run for which the pitcher is held accountable. In determining earned-runs, the inning should be reconstructed without the errors and passed balls; and the benefit of the doubt should always be given to the pitcher in determining which bases would have been reached with errorless play.
Until 1969, the reliever could not be charged with an earned-run if he entered the game after the side could have been retired but for an error, no matter how many runs he subsequently gave up that inning. Now, runs scored by batters who reach base off the reliever are charged as earned on that pitcher's record. They are not, however, charged as earned against the team as a whole. Therefore, a discrepancy may occur between the total earned-runs charged against the individual pitchers of that of the team.

- The players strike shuts the game down for the next 34 days before the owners pass a resolution on September 14 to cancel the remainder of the season.

1995

- Milwaukee turned things around in July going 16-12, thanks in part to an eight-game winning streak, and August (16-14) to climb within one-half game of the American League Wild Card with a 58-54 record on August 27.
- It was the first time the club had been over the .500 mark that late in a season since 1992.
- B.J. Surhoff enjoyed his finest year in the big leagues, playing six different positions and being named American League Player of the Week once and sharing the award on another occasion.
- Surhoff also reached a couple of career milestones - playing in his 1,000th game in a Brewers uniform and picking up his 1,000th hit as a Brewer.
- Kevin Seitzer was the Brewers lone representative in the All-Star Game played at The Ballpark at Arlington.
- Mike Fetters once again anchored the Milwaukee bullpen, converting his first 15 save opportunities to increase his consecutive save steak to a club record 20.

1996

• David Nilsson made Brewers history on May 17 when he hit two home runs in the sixth inning against the Twins in Minnesota. Nilsson became the first Milwaukee player in club history, the 29th player in Major League baseball history and the 12th player in American League history to hit two homers in an inning.
• May 20 was a memorable day for manager Phil Garner as he picked up his 300th career win when the Brewers defeated the Twins 3-2 in Minnesota. Garner became just the third Milwaukee manager (Tom Trebelhorn and George Bamberger) to collect 300 wins in a Brewers uniform.
• In the year of the home run, the Brewers set a club record for consecutive games with at least one home run at 19 from June 11-30, eclipsing the previous mark of 15 set in 1982.
• Greg Vaughn picked up his 150th career home run on May 29 vs Minnesota (Rich Robertson) and collected his 500th career RBI on May 5 in Baltimore (Jimmy Haynes).
• Vaughn hit his 20th homer of the season in the 67th game of the season on June 20 (Mark Langston), making him the second-quickest player in Brewers history to reach the 20-homer plateau.
• Vaughn also hit 12 home runs in the month of June, tying a club record for most home runs in a month (Gorman Thomas, August 1979).
• Vaughn was the Brewers lone representative at the All-Star Game in Philadelphia. He was unable to play in the game though due to food poisoning.
• John Jaha compiled a .300 average to go with 34 home runs and 118 RBI. Jaha became the first player to hit at least .300 with 30 homers and 100 RBI since Cecil Cooper in 1983. • Third baseman Jeff Cirillo had a breakthrough season, compiling a .325 batting average, the highest average for a second-year player in club history.
• Cirillo also collected 46 doubles, tying him for second with Yount (1982) for most doubles in a single season.
• On November 9, the Brewers officially broke ground on Miller Park, their state-of-the-art ballpark.

1997

• On May 7, the Brewers and Oakland Athletics played the longest 1-0 nine-inning game in Major League history. The contest lasted three hours and 20 minutes at County Stadium. Jeff D'Amico made the start for the Brewers while Steve Karsay took the hill for the A's.
• The Brewers played their first interleague game on June 13 at Wrigley Field against the Chicago Cubs. Jeff D'Amico led the Brewers to a 4-2 win over the Cubs, while Terry Mulholland took the loss. The Brewers were the first American League team (other than an exhibition contest) to play in Wrigley Field since the 1945 World Series.
• The St. Louis Cardinals visited County Stadium June 16-18 for the first interleague series at County Stadium. Jeromy Burnitz' solo home run in the bottom of the ninth gave the Brewers the thrilling 1-0 victory. Ben McDonald and Alan Benes were locked in a scoreless pitchers duel for eight innings.
• Phil Garner managed his 820th game June 28 at Kansas City, the most by a skipper in Brewers history.

• Scott Karl equaled the club record for consecutive victories by a left-handed pitcher with eight wins July 15- August 29.
• Steve Woodard made his Major League debut in game one of a July 28 doubleheader with Toronto at County Stadium. He outdueled Roger Clemens and tied the American League record for most strikeouts in a Major League debut set by Elmer Myers of the Philadelphia Athletics in 1915.
• In game two of their July 28 doubleheader at County Stadium with the Toronto Blue Jays, the Brewers turned their first triple play since 1979. Alex Gonzalez grounded into a Jeff Cirillo (3B) to Mark Loretta (2B) to David Nilsson (1B) triple play in the fourth inning.
• Jeromy Burnitz tied an American League record by homering in consecutive pinch-hit at-bats August 2-3. It was the 15th time in AL history that a player homered in back-to-back pinch-hit at-bats.
• Burnitz set a Brewers record by homering in five consecutive games from August 1-5. The previous club record was set by Sixto Lezcano who homered in four straight games, July 19-22, 1979. Burnitz became the first player to homer in five straight games since Cleveland's Sandy Alomar Jr. homered in five from April 4-8, 1997.

Milwaukee joined the Chicago Cubs, Cincinnati Reds, Houston Astros, Pittsburgh Pirates and St. Louis Cardinals in the National League Central Division.

1998

• On April 2, the Brewers earn their first ever victory in the National League with a thrilling 8-6, extra inning win highlighted by a Jeromy Burnitz grand slam in the 11th inning.
• Jose Valentin blasts three home runs on April 3 at Florida, becoming just the fifth player in Brewers history to accomplish the feat.
• In the home opener on April 7, the Brewers beat the Montreal Expos, 6-4, in front of 51,408 fans at County Stadium.
• Rookie Geoff Jenkins becomes the first Brewers player ever to homer in his first big league game. He belts a solo homer off of San Francisco's Orel Hershiser at 3Com Park in California on April 24. Jenkins joins Chuck Tanner (1955) as the only players in Milwaukee baseball history to homer in their first game.
• Pitcher Jeff Juden drives in four runs on May 2 vs Cincinnati. He ties the club record for RBI as a pitcher joining George Lauzerique who also had four RBI in a 1970 game.
• Second baseman Fernando Vina is the Brewers All-Star representative at the Mid-Summer classic at Coors Field in Denver, Colorado. He reaches base twice with a single and a walk.

• In September, County Stadium becomes the home of Baseball's Home Run Chase as St. Louis' Mark McGwire and Chicago's Sammy Sosa highlight the Brewers final homestand of 1998. McGwire hit two home runs, number 64 and 65, while Sosa belts numbers 64 and 65 to thrill record crowds at the ballpark.
• The Brewers set numerous attendance records during the final homestand including the largest three-game series (155,157) and the largest two-game series (97,625). Milwaukee also has three consecutive sellouts for the first time in team history.
• Vina and Jeff Cirillo combine for 392 hits for the season, the most by Brewers teammates since 1989 when Paul Molitor and Robin Yount combined for 389.
• Burnitz finishes a monster year with 38 home runs and 125 runs batted in. The RBI total is just one shy of Cecil Cooper's club record of 126 in 1983.

• Milwaukee snaps a five-year streak of winning their home opener after dropping a 9-4 decision to the Chicago Cubs on April 16.
• The Brewers retire Paul Molitor's number four in a pre-game ceremony on June 11. Should he be elected into Baseball's Hall of Fame, Molitor stated he would be honored to enter as a Milwaukee Brewer.
• Jose Valentin becomes the third Brewer in franchise history to homer from both sides of the plate in the same game on July 1 at Wrigley Field with a two-run homer off Dan Serafini in the fourth and a second two-run blast off Scott Sanders in the ninth.
• For the first time since 1982, the Milwaukee Brewers have two players represent them at the Mid-Summer Classic as Jeromy Burnitz and David Nilsson are both selected by National League manager Bruce Bochy.
• Burnitz becomes the first Brewer to compete in Century 21 Home Run Derby finishing second to Seattle's Ken Griffey Jr.
• Burnitz also becomes the first Brewer to make a start in the Mid-Summer Classic since Paul Molitor was the American League's starting second baseman in 1988. Burnitz made the start in left field due to Tony Gwynn being sidelined with an injury.
• Tragedy strikes Miller Park when a crane collapses, killing three on July 14.

MILWAUKEE BREWERS WITH 200 HIT SEASONS

Three (3) players have surpassed the 200 hit mark in one season while wearing a Brewers uniform, led by Cecil Cooper, who accomplished the feat three times. Cooper set a club record in 1980 when he pounded out 219 hits and he also accomplished the feat in 1982 (205) and 1983 (203). Paul Molitor also reached the 200-hit plateau in 1982 with 201. Robin Yount (210) has also accomplished the feat, as Yount, Cooper and Molitor finished 1-2-3 in the American League in hits in 1982, marking the first time that has happened since the 1915 Detroit Tigers.

1981 AMERICAN LEAGUE EASTERN DIVISION SERIES

Milwaukee vs New York

For the first time in Major League history, a divisional playoff series was established because of the split season. In the American League Eastern Division, New York, winners of the first half confronted Milwaukee, winners of the second half. It was the 34th time the Yankees participated in post-season action, while it marked the first appearance in playoff competition for the Brewers. New York took the best of five series, three-games-to-two and swept three games from Oakland to earn the American League Championship. The Yankees lost to the National League Champion Los Angeles Dodgers four-games-to-two in the 78th World Series.

THE KID ENTERS THE HALL

Robin Yount delivers his speech to Brewers fans during a pre-game ceremony at County Stadium celebrating his Hall of Fame induction and career achievements.

Robin Yount, nicknamed the "Kid" when he became the Brewers' starting shortstop in 1974 at the age of 18, was inducted into the National Baseball Hall of Fame in Cooperstown, New York on July 25 becoming the first player to enter wearing a Brewers cap. Alongside fellow inductees and friends Nolan Ryan and George Brett, Yount was part of the largest class to enter the Hall since 1991. It was also the first time since Hall of Fame elections began in 1936 that three players on the ballot for the first time were elected into the Hall in the same season.

Yount joined Henry Aaron, Don Sutton and Rollie Fingers as Brewers to achieve Major League Baseball's highest honor. At age 43, he was the youngest inductee since Johnny Bench went into the Hall at age 42 in 1989. He became the third-youngest player in Major League history to record 3,000 hits when he singled off Cleveland's Jose Mesa on September 9, 1992. He remains the all-time leader in nearly every offensive category in Brewers' franchise history. The Brewers celebrated Yount's overall career achievements in a pre-game ceremony prior to their home game against the Cincinnati Reds on August 7, 1999.

NO. 4 RETIRED BY BREWERS

On July 11, 1999, the Brewers retired jersey number four worn by Paul Molitor throughout his 12-year career in Milwaukee in a pre-game ceremony prior to their game against the Minnesota Twins. His number will forever hang with former Brewers and Hall of Famers Robin Yount, Henry Aaron and Rollie Fingers, and Jackie Robinson in the outfield of Milwaukee County Stadium and then onto Miller Park in 2001.

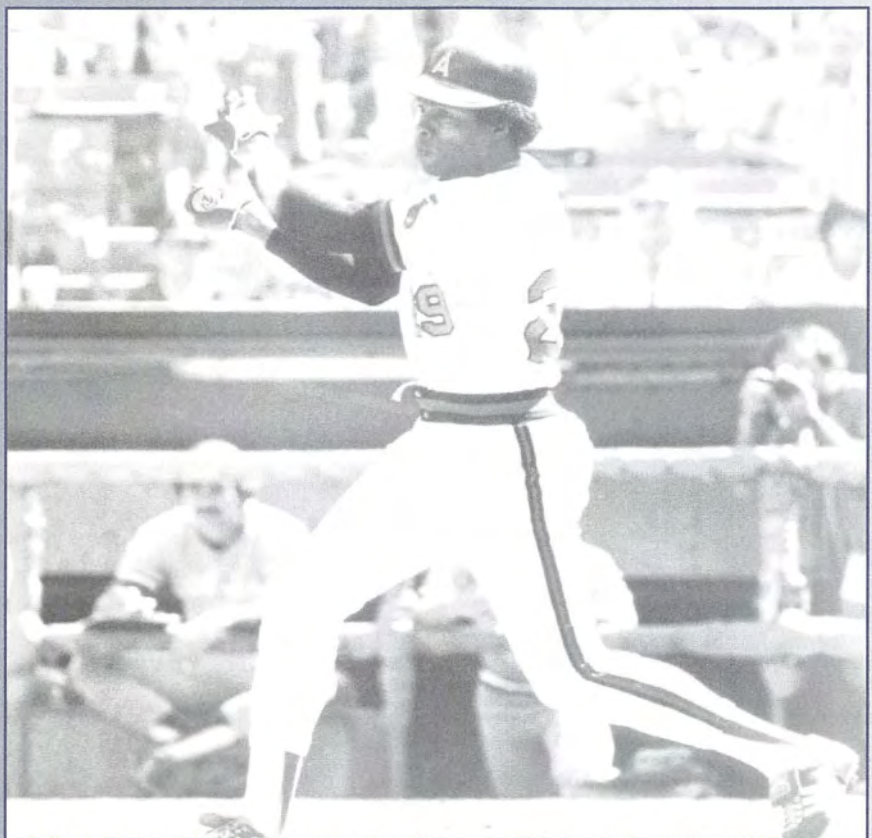
During the ceremony, which included speeches by former teammates Jim Gantner and Robin Yount, Brewers President Wendy Selig-Prieb and Baseball Commissioner Bud Selig, Molitor said that, should he be selected, he would be honored to enter the Hall of Fame as a Milwaukee Brewer. He will be eligible to appear on the ballot for the first time in 2003.

Molitor, who posed for this picture in the last year of his career with the Brewers in 1992, was a staple in Milwaukee from 1978-1992.

Brewers General Manager Dean Taylor with his manager, Davey Lopes, at the press conference announcing Lopes' hire on November 4, 1999, in Milwaukee.

A NEW ERA IN MILWAUKEE

When new Senior Vice President and General Manager Dean Taylor arrived in Milwaukee on September 21, 1999, a new era of baseball began in Milwaukee. He went out and recruited David Wilder as his Vice President-Player Personnel, and on November 4 hired the hard-nosed Davey Lopes as the Brewers' eleventh manager in franchise history. During the off-season, Taylor wasted no time in bolstering up the Brewers' pitching and catching, acquiring seven new pitchers, two catchers, one infielder and one outfielder through trades and free agency. Taylor and his new regime have given the Brewers a whole new look going into the 2000 season.



Hall of Famer Rod Carew, now the Brewers' hitting coach, tore up Milwaukee pitching throughout his career.

BobUECKER

Radio Announcer

This season, Bob Uecker, the illustrious "Voice of the Brewers," will broadcast his 30th year of Major League Baseball for his hometown. Uecker returns to do play-by-play on WTMJ-Radio and the Brewers Radio Network.

Affectionately known across the country as "Mr. Baseball," Uecker is in his 21st season as the club's number one announcer. Uecker is well-respected in the industry, earning Wisconsin Sportscaster of the Year five times during his career. He was inducted into the Wisconsin Sports Hall of Fame in 1998.

A versatile talent, Uecker credits go far beyond guest appearances and play-by-play. In 1985, Uecker launched a television acting career as one of the stars of ABC's sitcom "Mr. Belvedere," which put 100 episodes into syndication. He also hosted two syndicated television shows, "Bob Uecker's Wacky World of Sports" and "Bob Uecker's War of the Stars." He was one of the Miller Lite All-Stars in popular commercials for Lite Beer from Miller. Uecker was type cast as a radio announcer in the film "Major League" filmed at County Stadium, and stole the show in the sequel, "Major League II."

A 1969 visit with Al Hirt, a renown jazz trumpeter from New Orleans, altered Uecker's life. Hirt opened a small night club in Atlanta and asked him to come on stage. Don Rickles was the headliner. Uecker displayed a dead-pan stare that challenged and broke up the satirical comic. Hirt was so impressed he arranged an appearance for Ueckeron the "Tonight Show," starring Johnny Carson. Uecker became one of Carson's favorite guests, making some 100 appearances before the Late Night host retired in 1992.

Uecker became a national celebrity and the ABC Network took advantage of Uecker's popularity. He made appearances on the "Superstars" and "The Midnight Special" which opened the door for more elaborate appearances.

The snowball continued to roll for Uecker. Because of his experience broadcasting Brewers games both on radio and television, Uecker gained national recognition as a play-by-play announcer for ABC Sports coverage of Monday Night Baseball, the League Championship Series and World Series.

Uecker's accomplishments weren't limited to the electronic medium. A former catcher who spent six seasons in the majors, Bob authored a book entitled "Catcher In the Wry," a humorous look back on the years he spent with the Milwaukee-Atlanta Braves, St. Louis Cardinals and Philadelphia Phillies. One of his career highlights as a player came in 1964, when he was a member of the World Champion St. Louis Cardinals.

With all his national attention and success, Bob never forgot his roots. He lent his services in support of several local organizations, including the United Performing Arts Fund, the Midwest Athletes Against Childhood Cancer Fund, the Milwaukee Symphony, the Boys and Girls Clubs of Greater Milwaukee and Big Brothers/Big Sisters. In addition, he's an advocate for such organizations as cystic fibrosis, heart disease and the Wisconsin Department of Tourism. He also chairs the popular Bob Uecker Celebrity Fishing Tournament for Make-A-Wish Foundation.

For his efforts, Uecker was inducted into the Wisconsin Performing Artists Hall of Fame in 1993. The Hall of Fame was established in 1983 to honor nationally and internationally known performing artists with Wisconsin ties. In 1994, he was elected to the Wisconsin Broadcasters Association Hall of Fame. In January of 1995, he earned the "Big B.A.T." Award from the Baseball Assistance Team at a dinner in New York City for his continuing support of former Major League stars who are in need of support.

JimPOWELL

Radio Announcer

Jim Powell begins his fifth season as a member of the Brewers broadcast team and has quickly become a favorite of fans who listen to Brewers baseball on the radio. He was named the 1998 Wisconsin Sportscaster of the Year. In addition to his duties on the Brewers' radio network, Powell logged some time as a member of the Brewers' television team during the 1999 season.

He was a co-host of "Talkin' Brewers," the hot-stove league show heard across the Brewers radio network throughout the winter. Powell also hosts "Fan Forum" on the Brewers' website, fielding baseball questions from fans around the world.

Powell's baseball experience comes from two stints with the Minnesota Twins in a reserve role in 1993 and 1994, as well as extensive experience on the Minor League level.

He was the play-by-play announcer for the Charlotte Knights in 1990-91 and 1995. He also called games for the Columbia Mets from 1987-89 and 1993-94.

Powell did play-by-play for the University of South Carolina baseball program in 1989 and 1994 as well as the University of Georgia baseball team in 1985-86.

Powell has received national exposure doing play-by-play for CBS Radio for several college football games including the 1997 Sun Bowl between Iowa and Arizona State. Powell was also the color analyst for the South Car-

Carolina Football and Basketball programs from 1993-95 and hosted the Coach's shows for those two sports on television. Powell also did play-by-play for Davidson College basketball in 1990.

A three-time Sportscaster of the Year in South Carolina, Powell earned the award in 1990-1991 and 1995.

Powell attended the University of Georgia as a National Merit Scholar. He is married to Emmy and has two daughters, Allie and Sabrina. The Powells reside in Delafield.

Kent**SOMMERFELD**

He has also been the radio producer/director for the Marquette University radio network since 1990 and hosted an interview segment during the team's pre-game programming during the 1995-96 season. He was named Director of Radio Operations for Marquette Basketball in 1999, and does play-by-play for the Marquette University Women's basketball broadcasts. Sommerfeld attended the University of Wisconsin-Whitewater where he earned a degree in communications and broadcast journalism. While at Whitewater, Kent was the sports director of Cable TV 6, a wing of Whitewater's cable system, as well as the host of "Sports Chat," a sports talk show on WSUW-Radio.

He has also worked with ESPN's technical staff on several events in the Midwest. Sommerfeld also worked at KRBC-TV, the NBC affiliate in Abilene, Texas as a sports/news photojournalist.

Born in Milwaukee, Sommerfeld attended Brookfield Central High School. He and his wife, -eleni-, have two sons, Peter and Luke, and reside in the Milwaukee area.

Bill**SCHROEDER**

Television Announcer

Bill Schroeder returns for his sixth season as the color commentator on Brewers television broadcasts. He is signed through 2000 to describe Brewers action for television audiences throughout Wisconsin.

Very popular with the fans, Schroeder was a natural in his first experience in the television booth in 1994. He is quite familiar with the business of talking baseball, co-hosting "Baseball Sunday" in 1994 and "Talkin' Brewers" on WTMJ-Radio over the past three winters.

A lifetime .240 hitter, Schroeder spent eight seasons in the big leagues with the Brewers and the California Angels. He enjoyed a career best .332 batting average in 1987. As an intricate member of Team Streak, Bill caught Juan Nieves' no-hitter on April 15, 1987, in the midst of the Brewers Major League record-tying 13-0 start. In addition, he clubbed a career-high 14 home runs and had 42 RBI in a back-up role that season. Later that season, Schroeder had his finest moment. On June 14, before family and friends at New York's Yankee Stadium, he collected four hits, including a game winning two-run homer, off ace Dave Righetti.

Involved in the community since beginning his Major League career, he conducts the annual Bill Schroeder Celebrity Golf Classic in the Milwaukee area for the benefit of COA Youth and Family Centers, a Milwaukee charity which helps area children. In 1988, he was named the recipient of the Athletes For Youth Good Guy Award, while in 1984, he earned the club's Unsung Hero Award.

Schroeder graduated from West Windsor Plainsboro High School in Princeton, New Jersey, where he earned All-State honors his junior and senior years. He attended Clemson University, leading the Tigers to the Atlantic Coast Conference title in 1978 and 1979.

Born in Baltimore, Maryland and raised in Princeton, Schroeder was traded to the California Angels following the 1988 campaign before retiring in 1990. He has two daughters, Lindsey and Mallory, and a son, Billy, and resides in Hales Corners, Wisconsin.

Matt**VASGERSIAN**

Television Announcer

After being named the Brewers television play-by-play announcer in February 1997, Matt Vasgersian (pronounced Vass-KER-jin) enters his fourth season as a member of the Brewers television team.

Broadcasts never see a dull moment with the youthful Vasgersian at the microphone. His enthusiastic and creative home run calls have become a staple of highlight reels on all of the major sports networks.

A 32-year old graduate of the University of Southern California, Vasgersian has had extensive experience for his age. He began his play-by-play career in 1991 in Huntington, West Virginia working for the Chicago Cubs Class A affiliate there.

He rapidly has risen through the Minor League ranks with stops at High Desert (Class A, San Diego) in 1992, El Paso (Double A, Milwaukee) in 1993-94, Syracuse (Triple A, Toronto) in 1995 and finally Tucson (Triple A, Houston) in 1996. He also teamed with FOX's Steve Lyons on the Baseball Across America Tour broadcasting a Minor League game of the week in 1995 on ESPN2.

While not calling Brewers' games or serving as pitchman for 989 Sports video games, Vasgersian also serves as the national play-by-play voice for FX Baseball Saturday Night and FOX Sports Net Baseball Thursday. Additionally for the FX Network, Vasgersian teams with NFL Hall-Of-Famer Lawrence Taylor as host of the Tough Man World Championship Series, and with FOX Sports Net he hosts the new nightly sports trivia show, "Sports Geniuses."

Vasgersian has been a member of the Screen Actors Guild since his childhood. He appeared in an episode of "The Streets of San Francisco" and the hit movie "The Candidate" starring Robert Redford. He also appeared on "THe New Dating Game" as an eligible bachelor while in college at USC.

Vasgersian enjoys music and has been seen on stage in the Milwaukee area performing lead vocals with the local group KB's Midlifecrisis. He can be heard throughout the year on the "Dave and Carole Show" in the morning on WKLH-FM in Milwaukee.

Locally, Vasgersian serves as celebrity spokesman for the Milwaukee chapter of the Variety Club Children's Charities. He is single and lives in Milwaukee.

Len**KASPER**

Television and Radio Announcer

Len Kasper begins his second season as a member of the Brewers broadcast team. He does play-by-play along with analyst Bill Schroeder on Brewers Television when Matt Vasgersian is on assignment. Kasper also called some action in the Brewers radio booth last year when Bob Uecker traveled to Cooperstown to be with Hall of Famer Robin Yount.

Kasper, 29, brings over a decade of sports broadcasting experience to the Brewers . He is the morning and afternoon sports anchor at WTMJ Radio, the Brewers flagship, and is co-host of "Talkin' Brewers" during the baseball off-season. He also hosts "Packer Sunday," the Packers Network post-game call-in show during the NFL season. Kasper has also represented the Brewers on the club's Wisconsin winter tour.

Kasper was chosen as one of Milwaukee's *40 Under 40* for 1996 by **The Business Journal**, which highlights those under the age of 40 who are deemed "Milwaukee's next generation of business and community leaders."

A Michigander by birth, he graduated summa cum laude from Marquette University in 1993. Kasper and his wife, Pam, live in Bayside, Wisconsin.

ROBERTO CLEMENTE AWARD

Presented by John Hancock

Since 1970, Major League Baseball has annually presented an award (originally known as "The Commissioner's Award") which recognizes the player who best exemplifies the game of baseball, sportsmanship, community involvement and the individual's contribution to his team. The award, now sponsored by John Hancock Financial Services, recognizes those individuals who truly understand the value of helping others.

In 1972, following the tragic death of Roberto Clemente, the award was renamed to honor the man whose spirit and goodwill will always be remembered. The 12-time All-Star and Hall of Famer was killed in a plane crash on New Year's Eve, 1972, while delivering food and medical supplies to earthquake victims of Nicaragua.

Early in the season, each team will be asked to submit three candidates to MLB. A local panel formed by John Hancock Financial Services made up of local community representatives will select a nominee from each club. A panel of baseball dignitaries, including Vera Clemente and Commissioner Allan H. (Bud) Selig, will then select a winner from the list of 30 nominees. The winner of the Roberto Clemente Award will receive a $25,000 donation from John Hancock Financial Services for the local charity of his choice at an on-field ceremony during the World Series. John Hancock will also make a cash contribution to the Roberto Clemente Foundation and to each nominee's local charity.

Past winners include Tony Gwynn (1999), Sammy Sosa, Willie Mays, Lou Brock, Ozzie Smith, Cal Ripken, Jr., Kirby Puckett, and others.

John Hancock is a proud sponsor of Major League Baseball and the title sponsor of The John Hancock All-Star FanFest, an interactive "Baseball Heaven on Earth" held in conjunction with MLB's All-Star Game.

BrewersGoldCLUB

The Milwaukee Brewers Gold Club is a volunteer sales force designed to assist the Milwaukee Brewers with their season and group sales efforts. The club acts as an external extension of the Brewers integral sales force. The Gold Club consists of civic-minded individuals from throughout the Greater Milwaukee area.

In addition to helping the Brewers sell season and group tickets, the Gold Club will help in drawing the Milwaukee Brewers and the business community into a closer relationship. Gold Club members also serve as ambassadors for the ball club in promoting the many benefits Major League Baseball brings to Milwaukee and the state of Wisconsin. The Gold Club is valued for its contribution to the Brewers organization in the long term success and stability of this franchise.

The Gold Club is also an incentive-laden program including gift certificates, Gold Club clothing, season parking passes, a trip to a Brewers/Cubs game at Wrigley Field, a major in-season trip to a National League city, a spring training trip and many other benefits.

Headed by the Brewers' Mike Harlan, the Gold Club was created in February of 1992. The group is patterned after other clubs who have had successful private sales forces such as the Royal Lancers in Kansas City (created in 1969), the Designated Hitters in Baltimore (1979) and the Gemini Club in Minnesota (1988).

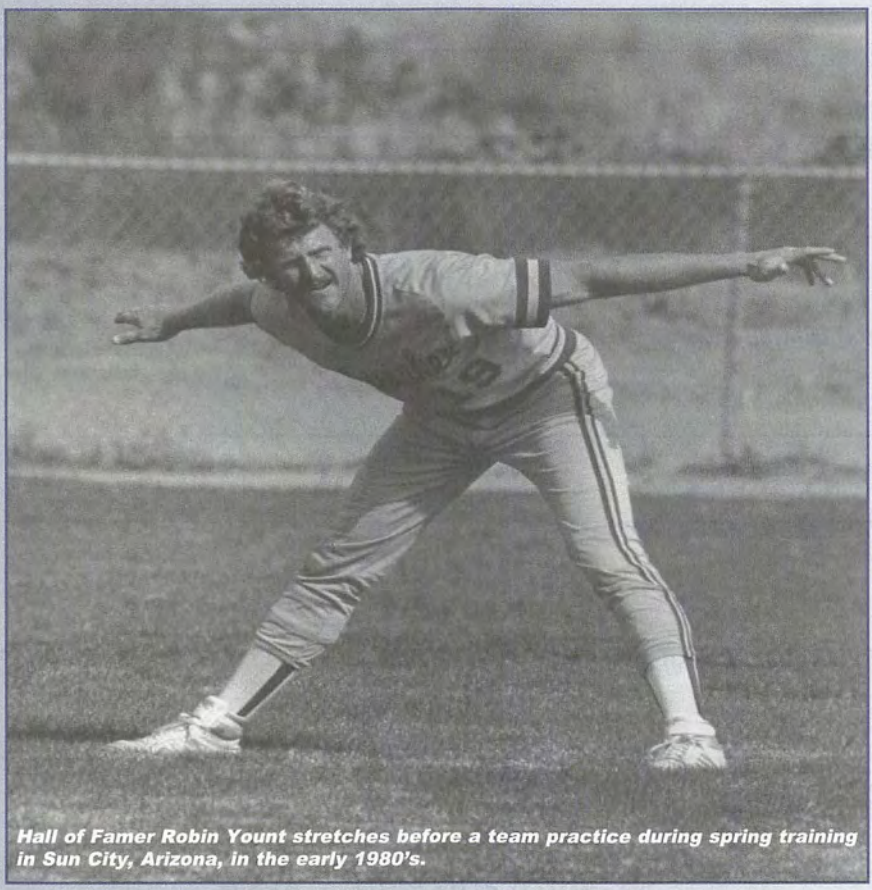
BASEBALL FOR WISCONSIN
Corporate Partnership Program

The Baseball for Wisconsin Corporate Partnership Program was established in 1995 in conjunction with the MMAC and the Greater Milwaukee business community, to assist the Milwaukee Brewers in their quest to reach the 10,000 season ticket mark. It is a unique sales program to both the Brewers and Major League Baseball.

Baseball for Wisconsin is an employee benefit sales program. To implement the program, the Brewers team up with companies on a mutually agreeable subsidy. This in turn permits the Brewers to sell season ticket packages to employees within the particular company through a special internal ticket sales program. The company subsidy is used in order to offset the total cost of the various ticket packages to employees. The Brewers are able to sell more ticket packages because of the minimal cost to company employees, and the company is recognized as a corporate sponsor of the Brewers as well as receiving other mutually agreeable benefits. Upon company approval, the Milwaukee Brewers will run all aspects of the program while the employee benefits are reflected as coming solely from the participating company.

By taking advantage of this program, company employees can secure preferential seating in Miller Park and can enjoy all of the benefits of being a season ticket holder at a considerable discount.

Interested companies who would like to participate in the program or need further information are encouraged to contact Mike Harlan, Manager-Baseball for Wisconsin, at (414) 345-0350.



Hall of Famer Robin Yount stretches before a team practice during spring training in Sun City, Arizona, in the early 1980's.

MARYVALE BASEBALL PARK

The Brewers return to the beautiful Maryvale Baseball Park for their third Spring Training in 1999. Considered by many to be the jewel of all spring complexes, the Brewers are in the midst of a 15-year lease through 2012 which has helped to revitalize the Maryvale neighborhood.

The facility, opened in 1998, includes 7,000 permanent seats as well as 1,000 lawn seats. The complex features eight fields, including two half fields. The Brewers Minor League players also train at the Maryvale complex across the street from the Major League facility.

John F. Long, a longtime Valley developer, donated 56 acres of land to make this beautiful complex a reality. With Maricopa County, the Maryvale County Stadium District and the city of Phoenix providing resources, Maryvale is the foundation for future neighborhood development. Overseeing the operations of the Maryvale Baseball Park is the Phoenix Parks and Recereation Department.

The primary architect on the ballpark was Ellerbe Beckett of Phoenix, Arizona. Their work at Maryvale garnered several awards in 1998 including the Architecture Accessiblilty Award from the Mayor's Commission on Disability Issues, the Citation Award from the Arizona Chapter of the American Institute of Architects and the Merit Award from the Western Mountain Region of the American Institute of Architects.
